

Recycle your

CARTRIDGES **4**

PLANET ARK

All types and brands of inkjet and laser cartridges including toner bottles, fuser and drum units, print heads, hoppers and fax rolls are collected.

What To Do With Your Cartridges

Either drop your cartridges into the collection boxes in participating Australia Post, Harvey Norman, Officeworks, Dick Smith and Tandy stores.

Or, if your office, business or school uses more than three cartridges a month, you may be eligible for a free collection box.

For more info call the Cartridges Hotline on 1800 24 24 73 or check out Cartridges.PlanetArk.org

A joint project with Brother, Canon, Epson, Konica Minolta, Lexmark and Close the Loop.
